

Avondale School District residents who have concerns
regarding the development of their preschool age children are invited to

Avondale's Pre-School Screening

This year's screening will be offered on

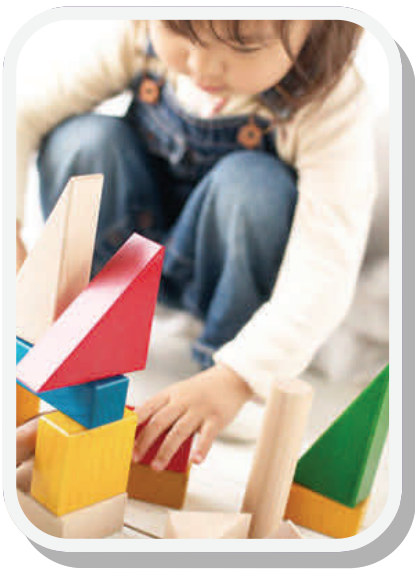

Friday, April 21st from 12:30– 3:30 PM

Children are eligible for this developmental screening if they reside in the Avondale School District, will be three years of age on or before May 1, 2017 and will not turn five years old before Sept. 1, 2017.

This no-cost screening is offered through the Avondale special education department. This will give parents valuable information regarding their child's development. Avondale employees, trained in early childhood development will observe your child in an informal play atmosphere for 30-45 minutes. Areas observed will include social, motor, communication and conceptual development. Hearing screening is also available. Following the observation period, parents will have the opportunity to conference with the examiner.

If you are interested in having your pre-school child screened, please call the Avondale Schools Student Service Office at 248-537-6004 to schedule an appointment.

Please share this with neighbors or friends residing in Avondale School District who may benefit from this information.
